

## The Value of a Checking Account

1. You always have the right change.
2. Your canceled checks are receipts for bills you have paid.
3. You need never pay a bill twice, if you pay by check.
4. You cannot be robbed if you carry a cash book instead of cash.
5. Your money cannot be destroyed by fire or lost.
6. A Bank Account gives you standing with your fellow men.

May we have your checking account?
